The performance data quoted represents past performance. Current performance may be lower or higher than the data quoted above. Past performance is no guarantee of future results. Investment returns and principal value will fluctuate and shares, when redeemed, may be worth more or less than their original cost. The Advisor may absorb certain Fund expenses, without which total return would have been lower. Net Expense Ratio reflect the expense waiver, if any, contractually agreed to through October 6, 2024. A 2% redemption fee will be deducted on fund shares held 60 days or less. Performance data does not reflect this redemption fee or taxes.

An investor should consider investment objectives, risks, charges, and expenses carefully before investing. To obtain a prospectus, containing this and other information, visit grandeurpeakglobal.com or call 1-855-377-PEAK (7325). Please read it carefully before investing.

Mutual fund investing involves risks and loss of principal is possible. Investing in small and micro-cap funds will be more volatile, and loss of principal could be greater than investing in large cap or more diversified funds. Investing in foreign securities entails special risks, such as currency fluctuations and political uncertainties, which are described in more detail in the prospectus. Investments in emerging markets are subject to the same risks as other foreign securities and may be subject to greater risks than investments in foreign countries with more established economies and securities markets. Diversification does not eliminate the risk of experiencing investment loss.

MSCI makes no express or implied warranties or representations and shall have no liability whatsoever with respect to any MSCI data contained herein. The MSCI data may not be further redistributed or used to create indices or financial products. You cannot invest directly in any index.
